

Judge Susan V. Kelly,

I'm writing you today to ask you if you could reopen my Chapter 7 case. The main reason is because the creditors are sending me letters now. (WE energies, ect.) I did however decide that I'm going to return my car to Toyota. They don't want to work with me as far as my past due payments. I understand that the reopening fee is \$260.00 and I can handle that ok. Also, I haven't heard anything from Jennifer Abbott concerning paying back the fees she owes me, so I have to tell that as a last. I do want to thank you for your patience ok. Take care.

Case # 10-29785-SVK

P.S. My new

address is: 438 West College Ave. (lower)
Waukesha, WI 53186

(as of July 1st 2010) Thanks

Respectfully yours,
Cyndee Hubbard
